NY Metro Airports (Activities)

Develop RNAV Route for DCA and BWI Traffic			09/20/2012 -	
Project Initiative	**Description**	**Status**	**Start**	**Finish**
Develop RNAV Route for DCA and BWI Traffic to segregate from BIGGY	Develop a separate RNAV route to segregate traffic to DCA/BWI from the NY and PHL traffic.	Additional RNAV route planned during NY Airspace Redesign. Implementation of this RNAV is pending resolution of 3nm separation in Enroute airspace. Schedule to be determined.		

This action plan is intended to establish a climate of accountability for the FAA, airports, and airlines. No project will be implemented prior to the completion of all required analysis, reviews and approvals. The information provided is for planning purposes only. For actual Runway and Taxiway Closures, and Equipment Outages, please review current Notices to Airmen (NOTAMs).
